

COLOR THE PARK BALLANTYNE

The Ballantyne community comes together every summer to collect essential school supplies for Classroom Central and support underprivileged children in our area. Our goal is to collect over 50,000 school supplies for the nonprofit's free store, which allows teachers to deliver essential tools to over 100,000 students who live in poverty throughout the Charlotte region.

Now it is even easier to make a monetary contribution. Thank you for your support!
