

ELECTRONICS RECYCLING

With Goodwill's electronics recycling program, we'll recycle your working or non-working electronic donations, not only keeping environmentally hazardous materials out of local landfills, but also powering local job training programs and employment opportunities in an 18-county area spanning North and South Carolina. We make it easy to donate your electronics, working or not. Through the [Dell Reconnect](#) partnership, we'll make sure your electronics and accessories are refurbished or recycled responsibly.
